Heroes Work Here - We love our Catholic schools' employees! Teachers, leaders and support staff have worked tirelessly over the summer and the start of our school year to bring exceptional in-person and remote learning to families during this unprecedented time. To recognize their fantastic work, the Office of Catholic Schools is excited to introduce the #SchoolHero program. Educators and staff who have gone above and beyond in order to ensure a safe and productive learning environment will be highlighted through social media and the web. All school employees and families can nominate a school hero by completing a brief online form at <https://schools.archchicago.org/nominate-your-school-hero>

REMINDERS

GRADES/HONOR ROLL - Please note, the grade scale for Specials Classes (Physical Education, Fine Arts, Spanish, Technology) has changed. **These classes are now using the +, S, and - grade scale.**

- + (outstanding work)
- S (satisfactory work)
- (unsatisfactory work)

For the A/High Honor Roll, Grades 4-8 students need to have all A's in the subject areas still being graded, and +'s in the Specials.

For the B Honor Roll, Grades 4-8 students need to earn a combo of A's and B's (no C's or lower), and have all +'s and S's (no -'s) in the Specials.

Gym Uniforms - Please make sure you have the correct gym uniform! Last year was the final transition year for uniforms. This year, all gym uniforms should be the navy blue ones, as offered through **Dennis Uniform**. ***If you do not have the correct uniform, this will start to be reflected in your grade.*** Even though we had to say farewell to Mrs. Ward, Mrs. Folino and Ms. Margaret will be covering gym classes so that students still have the opportunity to exercise and learn healthy habits during the school day.

Sweaters/ Uniforms - As the weather is getting colder, please remember to dress appropriately. Make sure to bring your St. Ferdinand School fleece sweater jacket (the Dennis Uniform one) to wear during the school day. Due to COVID, we do need to keep the windows

open to provide more ventilation – and as the temperature drops outside, so does the temperature in the classroom.
