

St. Ferdinand School's

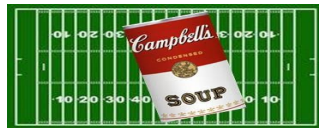

**"Tackling" Hunger with some Friendly Competition via a
*Thanksgiving Soup Can Drive***

**Students are asked to please bring in
CANNED SOUP for our SOUP-ER BOWL COMPETITION.**

Each day, teachers will submit how many cans total their homerooms have brought in from
Monday, November 2 - Friday, November 20.

Each day, average cans of soup per student per grade will be calculated, and daily updates of leader homerooms will be announced during the Morning Announcements and posted on a "Field Goal" display in the Activity Center.

Winning homeroom gets a Personal Pan Pizza Lunch!

*Which homeroom will be the St. Ferdinand School
2020 SOUP-ER BOWL CHAMPIONS?!?!*

Let's make this Holiday Social Outreach Activity FUN for our students while still helping them to actively reach out to/remember others during these difficult times.

We encourage you to have your children use their own money and head to the grocery store with you to pick out soup to bring in.

Thank You!

Cans will be donated to the St. Ferdinand Food Pantry, located at the corner of Mason and Barry.
